## Scoring of Entries

Our aim is to provide a robust and transparent Judging Process that provides clarity and confidence to all involved.

Entries are scored using pre-determined criteria, with written entries being used to provide short listed Finalists who then also make 15 minute presentations to a panel of Judges. Scores are generated from a combination of the written entry and the live presentations.

Winners from each category are identified based on the highest score. An overall Winner, one across Customer Experience will be identified from the highest scores overall.

All entrants receive feedback reports to help continuously improve delivery of their Customer Experience.

Finalists will receive benchmarked reports showing their performance vs other Finalists, including Winners. Non-Finalists will receive a constructive written critique of their Entry.

## Scoring Grid

<b>1. Short Listing</b>				
	Short-Listing Panel 3-5 people	Written Entry Criteria 1-7 <i>Summary will be especially important</i>	Short-List of Finalists	Scoring <b>not</b> carried forward
<b>2. Assessment of Finalists</b>				
	Category Judging Panels 3-5 people each	Written Entry Criteria 1-7	Score	50% of weighting of final score for all Categories
	Category Judging Panels 3-5 people each	Live Presentation Criteria 2-7	Score	50% of weighting of final score for all Categories

There are a standard set of 7 Criteria across all of the Categories. Each Criterion has 100 marks available. All 7 criteria will be used for both the Short Listing of Finalists (by the Screening Panel) and for scoring written entries by the Finalist Judging Panel. Finalist presentations will be scored against criteria 2-6 only.
